REDCLIFFE HORSE AND PONY
McGahey St Rothwell

10 yrs & under start height is 60cm max 80cm. Riders can choose either 10 yrs & under or 12 yrs & under class.

If there are less than 3 riders in this class they will be combined as per rules for combined groups. Combined Groups: If one or two riders have been nominated for a class, then this group would be combined with the height above or below [1 level only] eg. 90cm with 80cm or 1mtr

Seniors can choose the height they wish to jump from official or unofficial classes. They will jump with that group and place as if they are part of that group and then their points are recorded separately so as not to take place's from rider's under 26. Class 10 must ride in class 4-6 to be eligible for overall senior trophy. And Class 11 must ride in class 7-9. [Two senior trophies will be awarded class 10 & 11]

Riders may enter two horses as per PCQ 2020 rules

BIOSECURITY FACT SHEET

We take biosecurity seriously and have measures in place to mitigate the risk of infections, diseases and pests.

OUR BIOSECURITY POLICY

All horse owners and competitors should be aware that you have a biosecurity obligation to take all reasonable steps to ensure your activities do not spread a pest, disease or contaminant.

Competitors are asked to ensure good biosecurity practices at home and at the event and to follow the instructions of the organising committee and the Biosecurity Manager or risk expulsion from the event.

All horses entering grounds must be from a property actively practising good biosecurity principles within their management.

Horse Health Declarations (HHD) are a mandatory requirement for all events. Please read the HHD form and ensure:

Your horses are shampooed, rinsed and allowed to dry, and their hooves are picked clean of all solid material and washed with shampoo

Your vehicles and equipment accompanying the horses are cleaned to remove all solid material that could contain disease agents, and then disinfected

Acceptance into the event will be refused if the required HHD is not presented at point of entry or designated registration point, as advised by the organising committee.

The property identification code (PIC) of the horse's origin must be included on the HHD

Other biosecurity and workplace health and safety measures that aim to provide the safest environment for horses, competitors, volunteers and visitors include:

No horses or dogs with signs of illness are to be brought onto the grounds.

No communal horse water troughs are available at this event.

Do not share equipment, including food and water containers, between horses.

Competitors are responsible for cleaning up manure from yards and placing it in designated areas. Please use your own rakes/shovels.

Competitors are required to advise the event organisers immediately if a horse is sick. Stop all non-essential contact with the sick horse. Do not allow children to have close contact with the sick horse.

Everyone handling horses should wash or sanitise hands between contacting different horses.

OUR BIOSECURITY PLAN

Our event biosecurity plan is a set of preventative control measures and actions aimed at reducing the risk of infectious diseases and pests on and off the venue, and between horses at the venue.

WHAT TO EXPECT IN THE UNLIKELY EVENT OF A BIOSECURITY INCIDENT

In the unlikely event of a biosecurity incident, the Biosecurity Manager and the organizing committee will implement our event biosecurity plan.

You will be notified about the incident and expected to follow the directions given by the organising committee.

Everyone will be expected to remain at the venue until cleared to leave by the organising committee and Biosecurity Manager.

In the event of horse movement restrictions participants are responsible for the care, maintenance and cost of their horses and themselves, including feeding, bedding, vets and personal needs.

If a horse is confirmed to have an infectious diseases the owner/ lessee will be responsible for all vet cost and if venue is locked down and quarantined will be responsible for all cost associated with this

**Please note our full BIOSECURITY PLAN can be found on our web site:
